

## **FABULOUS FIELD DAY 2017**

**It's another field day in the books...a tradition that has been enjoyed for nearly six decades by Duclos Point residents.**

**To all who attended, donated and volunteered thank you.**

Everyone from young to old enjoyed our traditional costume parade, sack races, water balloon toss, land skis, watermelon eating contest and more. Highlight of the day was the east/west tug of war, with the West side winning for the second year in a row. A special acknowledgement to kid's races organizer Michelle Read-Kulig and her family. Thanks to all who assisted with races, handed out ribbons & prizes, cooked hot dogs, sold raffle & bingo tickets and called bingos. Special thanks to set up/clean-up crews lead by Steve McKay, Mike Coyne and Bill Parsley. We are also grateful to the entire Wright family who helped all day long.

Here is a list of families who volunteered/donated to this year's Field Day: Coyne, Pronyk, Day, J.Wright, McKay, Wahrer, Parsley, Gibson, Singer, Read-Kulig, Dufoe, Stewart, Nowak, K.Wright, Tomlinson, Allen, MacPherson, Fiddes, Dipietro, Kunka, Strand, Basiuk, Seeback, Khadivi, Khait, Oulahen & McKeown.
